Dear Student,

Scouts Australia Institute of Training (SAIT) has just released an Enrolment form for any leader intending to complete, or partially complete a qualification in Outdoor Recreation. These are units covered in Adventurous Activity Courses advertised in the Scouts NSW Training Calendar, such as Bushwalking, Common Core A & B1 etc. They are also available through Recognition of Prior Learning (RPL).

If you have not already done so, please apply for a Unique Student Identification (USI) number at [www.usi.gov.au](http://www.usi.gov.au). The USI number was introduced by the Australian Government and it is required for all students participating in Vocational Education and Training to hold, as of 1<sup>st</sup> January 2015.

Please find enclosed the SAIT Enrolment Form for Certificate II/III/IV in Outdoor Recreation. For every Accredited Qualification, an enrolment form needs to be completed. This will be sent from State Office.

If you have more than one enrolment form enclosed it would mean you would have completed different levels of Unit of Competency from different Certificates. Please make sure to tick units you would want to complete in the Qualification Section of the enrolment form.

Once completed, please scan and email your enrolment form to [training@nsw.scouts.com.au](mailto:training@nsw.scouts.com.au) or you can post to:
